

For your maximum safety, your room is sanitized before your arrival.

Temperature checks will be necessary on arrival as well as reduced contact at check-in, cashless payments and frequent sanitization of keys and key cards.

Face masks will be used by hosts and are available for guests too. We kindly ask you to use face mask to enter in common area (Reception, Restaurant and Breakfast Area).

Hand sanitizing stations or dispensers are placed strategically at all guest and host areas.

Due to anti-covid regulations, the entry to the swimming pool is allowed up to 25.
All the sun beds, if you are not present in the pool, must be left free for sanitization.

It is recommended that parents and carers take care of their minors in compliance with hygienic-behavioral rules. For very young children, wear containment diapers.

A thorough shower is required before entering the water. Store clothing and objects in your personal bag.

Breakfast will be served by our staff (the buffet is not guaranteed).

La Blanca Resort follow all the anticovid procedures provided in a restrictive way in order to protect guests for maximum tranquility and safety.
